SINCE 1976

In an effort to keep the Pelican™ lighting line fresh and innovative, we will be discontinuing a number of older products. The list below details two of those models and suggested replacements. We hope this advance notice will allow for any necessary adjustments in your marketing materials and order placements. We will attempt to support these items up to July 31, 2019, however, some models have limited quantities and will be treated as “while supplies last”.
